

CSE401	Concrete Mathematics		
CSE402	Optimization		
CSE433	Machine Learning for Healthcare		
CSE434	Machine Learning for Finance		
CSE435	Reinforcement Learning		
CSE435	Data Visualization		
CSE437	Data Science: Coding with Real World Data		
CSE438	Applied Data Science for Practitioners		
CSE439	Machine Vision		
CSE440	Natural Language Processing II		
CSE441	Machine Learning II		
CSE442	Natural Language Driven UI/UX		
CSE443	Bioinformatics I		
CSE444	Bioinformatics II		
CSE445	Statistical Data Analysis		
CSE446	Blockchain and Cryptocurrencies		
CSE447	Cryptography and Cryptanalysis		
CSE449	Parallel, Distributed, and High-Performance Computing (HPC)		
CSE450	Advanced Competitive Programming		
CSE451	Network Science and Models		
CSE452	Computability and Complexity Theory		
CSE453	Theory of Computation II		
CSE454	Advanced Complexity Theory		
CSE455	Topics in Theoretical Computer Science		
CSE456	Design and Analysis of Algorithms		
CSE457	Randomized Algorithms		
CSE458	Quantum Complexity Theory		
CSE459	Introduction to Computational Molecular Biology		
CSE481	Quantum Computing I		
CSE482	Quantum Computing II		
CSE483	Software Engineering II		
CSE484	Cloud Computing		
CSE485	Advanced Cloud Computing		
CSE486	WAN Routing and Technologies		
CSE487	Web Services		
CSE488	Serverless and Microservices		
CSE489	Android App Development		
CSE492	iOS App Development		
CSE493	Enterprise and Software Architecture		
CSE494	Advanced Robotics		
CSE495	Internet of Things (IoT)		
CSE496	Ethical Hacking		
CSE497	Computational Cognitive Science		
CSE498	Advanced Graphics		
CSE499	E-commerce		
CSE500	Ethics of Data in Social Context		
CSE502	Scientific and Engineering Innovation: Moving Ideas to Impact		
CSE503	Project Engineering for Computer Science		
CSE504	Workshop for Entrepreneurs and Innovators in the Physical and Computer Sciences		
CSE505	Patents, Copyrights, and Intellectual Property Law for Physical and Computer Scientists		
CSE506	Ethics for Engineers and Scientists		
CSE507	Introduction to Design Thinking and Innovation in Engineering		
CSE586	Advanced Web Development
